# It's Back!

After a very successful debut festival in 2018 we are ready to roll it out again on  
**September 14<sup>th</sup>, 2019!**

### 2018 Rewind:

- **300+** people attended
- **\$18,536** raised through sponsorship revenue, ticket sales, silent auction and raffles to benefit music scholarships for Narragansett and South Kingstown High School students with financial disadvantages

**Hands that Rock** is a 501c3 non-profit organization that provides massage therapy at music festivals and special events to raise money for programs concerned with music education, performance, related resources and outreach for individuals and groups in need. Our fundraising efforts additionally address community initiatives associated with such outreach programs and groups to include environmental, social and health-related concerns to help create a suitable environment for the creation and performance of music.
